# RSB-S12/78

## Clamp lining for SCF12 cable

Clamp lining for SCF12 cable (usable in combination with RSB-78)

### FEATURES / BENEFITS

The clamp lining has been designed to be used in combination with the RSB-Clip RSB-78. The use of the clamp lining in combination with RSB-Clip prevents SCF12-50 Jumper cables against damage e.g. due to cable movement by wind, therefore a deterioration of the electrical properties is avoided.

## Technical features
